Service Number	Service Name	Service Description	Quote	Price
A1	Three Phase Custom Site Development	A custom professional website design that is unique to your organization. To ensure quality, each client will have a needs assessment meeting. A reasonable quote will be given after the meeting. Upon the approval of the quote from the client, the site development process begins immediately. Development time varies depending on the variety and needs of the client. Insite strives for the quickest turn around time possible while maintaining quality service.	Yes	N/A
A2	Website Registration	Insite studios will file all of the necessary domain registration forms with the appropriate organizations for you. We will research what domain names are available and allow you the client to choose which one suites your custom website. All domains include but are not limited to (.com, .net, .org, .biz, .us, etc...)	N/A	One Time \$50 Registration Fee
A3	Monthly Site Hosting	Monthly hosting takes the work out of owning a website. For an affordable fee each month, Insite will host and monitor your companies site. Let us provide reliable uptime year round for you and your custom site.	N/A	\$40 Per Month
A5	On Demand Site Content Update	Have to change or add new content to your site and you don't have a Monthly Site Content Update agreement with Insite? That's okay! With our On Demand Site Content service we can make unplanned content changes to your website quickly.	N/A	\$30 Per Hour Rate
A6	Regularly Scheduled Site Content Updates	If you need regular consistent content updates, then Insite can work with you. Through doing a needs assessment, we can create an affordable content update solution for your business.	Yes	N/A
A7	Custom Company Logo Design	Allow Insite Studios to create a unique company logo design for your company or event. Our professional development team is dedicated to creating a graphic that will help identify you to your customers. Whether it's for business cards, website, t-shirts or letterheads; our specialized logo development service is committed to quality and affordability.	Yes	N/A
A8	Business Card Design and Print	Need professional looking business cards for your company? Allow Insite Studios to create an eye-catching design that is affordable and convenient.	Quote	N/A
